Product Description

Kress 40 V 15" brushless line trimmer - KG154

Kress 40 V battery-powered trimmer offers the maximum power required in trimming and edging. Dependable operation without fuel mixing, starter cords, chokes, and engine maintenance. High performance without noise, complexity, and exhaust fumes.

- Kress-built brushless motors provide more power, longer runtime, and extended lifespan over standard brushed motors
- Quick line load design for rewinding the line easily
- Multi-position handle ensures the optimum balance and control for slope and height adjustment
- ECO mode extends battery life, great for trimming in delicate areas.
- Wired performance without wires. Kress KrossPack battery is interchangeable with all 20 V and 40 V Kress tools
